# Innovative Bonding Solutions for the World of Shoes

## Connecting Innovative Adhesives with Tomorrow's Footwear Needs

As a global industry innovator with superior expertise and more than 50 years of experience in the footwear industry, H.B. Fuller knows what matters to customers. Our footwear adhesive solutions offer more than just high performance.

We are passionate about helping footwear customers create new solutions by making lighter, better fitting, safer, and more robust products a reality. Our innovative and extensive shoe adhesive technology range provides reliable solutions for our customers, including supply flexibility, performance in demanding applications, technical support, and reduced cost-in-use. Whether you are manufacturing heavy boots, fashion, orthopaedic or sports shoes, we can help deliver the products your customers want and the end-to-end support your business needs.

### H.B. FULLER ADHESIVES OFFER

- INNOVATION
- SUPPLY ASSURANCE
- TECHNICAL EXPERTISE
- COST-SAVING OPPORTUNITIES
- COMPETITIVE ADVANTAGE

Connect your business with a competitive edge and trust in our adhesive, primer and halogenating solutions for upper construction, sole preparation or sole assembly.
